(see directions below)

AGENDA

1) Comments from Members of the Public on Items Not on the Agenda and Public Testimony on All Agenda Items

All public comment on items not on the agenda, informational items on the agenda, or public testimony on any action item will generally be limited to a combined total of no more than four minutes per person. Public testimony regarding action items on the agenda will be considered subsequent to any staff report, briefing, or presentation and the time allocated to public testimony is subject to the discretion of the Chair.

2) Informational Items

- a) Order of Agenda
- b) Report from the Chair
- c) Reports from the Technical Advisory Committee
- d) Reports from the Chief Administrative Director and SMBNEP staff

3) Governing Board Business

- a) Consideration of Approval of December 14, 2017 Meeting Minutes
- b) Consideration of Reappointment of Technical Advisory Committee Members
- c) Election of SMBRC Governing Board Vice Chairs (Comprising the Executive Committee)
- d) Presentation and Discussion: Draft Santa Monica Bay National Estuary Program FY 2019 Work Plan
- e) Workshop on Revision of the SMBNEP Bay Restoration Plan

The purpose of the Workshop is to receive comment from Governing Board members concerning possible revisions to the SMBNEP Bay Restoration Plan. No action or voting will take place by the Governing Board at the Workshop. Members of the public and interested stakeholders may attend the Workshop but this Workshop does not provide a forum for members of the public or interested stakeholders to provide comments to possible revisions to the Bay Restoration Plan. Please note that members of the public and interested stakeholders may provide written comments concerning possible revisions to the Bay Restoration Plan via e-mail at jack.topel@waterboards.ca.gov. These comments will be compiled with comments received by Governing Board members at this Workshop. In addition, members of the public and interested stakeholders will have an opportunity at one or more future Watershed Advisory Council (WAC) Meetings to provide comments concerning possible changes to the Bay Restoration Plan. Comments

our mission: to restore and enhance the santa monica bay through actions and partnerships that improve water quality, conserve and rehabilitate natural resources, and protect the bay's benefits and values

provided at the Workshop and through comments provided via e-mail and at one or more future WAC meetings by members of the public and interested stakeholders will help to inform what possible changes may be considered by Governing Board Members at a future Governing Board Meeting. The Governing Board may choose to schedule a subsequent Workshop at a future Governing Board Meeting.
