DRAFT MEMORANDUM TO SMBRC GOVERNING BOARD REGARDING ANNUAL EXECUTIVE COMMITTEE ELECTION

Re: Nomination and Election of Six Vice-Chairs from the Governing Board Membership to Serve on the Bay Restoration Commission's Executive Committee

Summary

The Executive Committee (EC) is comprised of seven members—the chair of the Governing Board (GB) and six vice-chairs elected from the entire membership of the GB. EC members serve one-year terms. There are no term limits for these positions.

The election for the Chair position took place at the December 12, 2019 Governing Board meeting. All members of the GB, whether voting or non-voting, are eligible to be on the EC. The nomination period for vice-chairs will open three weeks prior to, and close two days prior to the February 20, 2020 GB meeting. Nominations should be sent to Guangyu Wang at Guangyu.wang@waterboards.ca.gov.

Background

The EC was established by the GB in 2005 to oversee the work activities of the SMBRC, including working closely with staff and establishing the bi-monthly GB agendas. The EC meets in the months between GB meetings and reviews potential GB agenda items, staff activities, and other SMBRC activities. The EC reports directly to the GB, and maintains no powers beyond those granted to it by the GB.

It is important to emphasize that the EC membership is a working position, not a ceremonial one. Those considering a position on the EC should expect their commitment to SMBRC activities to at least double and should ensure that they can attend the regularly scheduled meetings as well as other meetings that may be required as issues arise. In the past, EC members have demonstrated a desire and ability to be on call to SMBRC staff and have attended most, if not all, of the EC meetings, with the remainder staffed by an active alternate versed in SMBRC issues and activities.

The EC Guidelines adopted by the GB (attached) outline the specific duties of EC members.

Nomination Period and Election Procedures

As noted in the summary, the nomination period will be open for approximately three weeks prior to, and close two days prior to the GB meetings. Self-nominations are permitted and floor nominations on the day of the GB meetings will also be allowed.

At the GB meetings when elections take place, if more than six GB members are nominated for vice-chair positions, those nominated will be given one to two minutes to state their interest in the position. Thereafter, an election will take place via a roll call. The newly-elected vice-chairs will assume their positions immediately upon election, and can plan their meeting schedule and conduct authorized activities after that time.

Attached on the following pages are the EC Guidelines established by the GB in 2005.
