- Discuss ideas and suggestions for specific projects for the FY22 Work Plan to address the four areas of special interest + climate change

EPA Areas of Special Interest

- Nutrient pollution reduction
- Water reuse and conservation
- Marine litter reduction
- Green infrastructure and resiliency

Workshop Agenda

- Item 1** Public comment
- Item 2** Workshop objectives
- Item 3** Presentation – Overview of FY22
Work Plan
- Item 4** Breakout sessions – Group
discussion to provide input on FY
2022 workplan implementation
- Item 5** Closing remarks and adjournment

Meeting Purpose: Provide opportunity for stakeholders to provide input on the priorities and projects included in the FY 2022 Work Plan

Overview of the Santa Monica Bay National Estuary Program (NEP) Fiscal Year 2022 Annual Work Plan

What is one word that captures what is most important to you about the health of the Santa Monica Bay and its watersheds?

Breakout Session Recap

Process

Review and consider input from breakout sessions and written comments, develop responses to comments, and incorporate input

March 18: SMBRC Executive Committee anticipated to schedule the consideration of approval of the FY22 Work Plan for the April Governing Board meeting

Post the final draft FY22 Work Plan, redline version, and responses to comments prior to the April Governing Board meeting

April 15: SMBRC Governing Board anticipated to consider approval of the FY22 Work Plan

Thank you for your participation!

Please submit written comments on the draft FY22 Work Plan to Guangyu Wang at guangyu.wang@waterboards.ca.gov by **March 5, 2021**.
