**NOTICE OF A MEETING OF THE
SANTA MONICA BAY RESTORATION COMMISSION
TECHNICAL ADVISORY COMMITTEE**

Date: December 17, 2020

Time: 1:00 p.m. to 5:00 p.m.

Location: Remote Meeting Only

Video and Teleconference Meeting During COVID-19 Emergency: As a result of the COVID-19 emergency and the Governor's Executive Orders to protect public health by limiting public gatherings and requiring social distancing, this meeting will occur solely via remote presence.

Links for the meeting, including a phone call option, will be posted on https://www.smbrc.ca.gov/about_us/tac/. For those who wish to comment on an agenda item, additional information about participating telephonically or via the remote meeting solution is also available at the webpage above.

AGENDA

1) Comments from Members of the Public on Items Not on the Agenda and Public Testimony on All Agenda Items

All public comment on items not on the agenda, informational items on the agenda, or public testimony on any agenda item will generally be limited to a combined total of no more than four (4) minutes per person. Public testimony will be considered subsequent to any staff report, briefing, or presentation and the time allocated to public testimony is subject to the discretion of the Technical Advisory Committee (TAC) Chair. Those who wish to comment on an agenda item or are presenting to the Governing Board are encouraged to e-mail your request(s) to staff at guangyu.wang@waterboards.ca.gov at least 30 minutes prior to the start of the meeting. Written comments submitted via e-mail will be read by staff subject to the time limit of four (4) minutes per person. Requests can also be submitted at the beginning and during the meeting in writing via e-mail or orally using the teleconference line. For additional information on submitting requests, please visit https://www.smbrc.ca.gov/about_us/agendas/.

The Santa Monica Bay Restoration Commission's mission is to restore and enhance Santa Monica Bay through actions and partnerships that improve water quality, conserve and rehabilitate natural resources, mitigate the impacts of climate change and sea level rise, and protect Santa Monica Bay's benefits and values.
